Descripción del perfil

Bilingual Certified PMP and economist with a Master's degree in Project Management, offering +10 years of progressive leadership experience within the technology, education, and public sectors. Over 8 years of experience as professor of project management under PMI standards. Over the past 5 years, I've held pivotal roles in spearheading strategic initiatives, fostering strategic alliances, and overseeing various functions encompassing commercial, administrative, and financial domains. My track record includes orchestrating strategic projects to propel business administrative, and financial domains. I´ve orchestrated strategic projects to propel business growth, formulating robust corporate expansion blueprints, and nurturing collaborative partnerships for organizational fortification. I possess a PMP certification, along with proficiency in leveraging Microsoft Project, SAP (PPM and PS), and Power BI to drive successful outcomes.
